Competitors Briefing

Welcome

On behalf of the Jordan motorsport family, I would like to welcome you all to another exciting chapter of the 2026 Jordan Rally, the third round of the FIA Middle East Championship, and wish you all an enjoyable and safe Rally.

Ceremonial Start

- Pre-Ceremonial Start Holding & Ramp Start will take a place at the **Hover-Up Park.**
- All the vehicles must enter the Pre-Ceremonial Start Holding between 17:00 and 18:00.
- Pre ceremonial start press conference will take place at 18:30 in Hover-Up Park
- Any representative of the team may deliver the car.
- During the Pre-Ceremonial Start Holding & Ramp Start all representatives of the team shall follow marshal's instructions as no timecards will be given.
- The ceremonial start will be conducted jointly with both the First and Second National Rallies. MERC competitors will start first descending car number order, starting from the last competitor to the first. National Rally competitors will follow, also in descending car number order.
- After the ceremonial start all cars return to Dead Sea Service Park

Running The Rally

- In accordance with Article 6.1 of Appendix II of the FIA RRSR 2026, timecards will be distributed to all competitors during Administrative Checks.
  All crews are required to present and submit their timecards at the correct time control points.
  Failure to comply may result in a penalty in accordance with Article 19.3.3 of the FIA RRSR 2026.
- Extra Care should be taken during the Rally when crossing water as cars in the front might dig some rocks inside the water beds which is not visible for drivers in the back.
- Extra Care should be taken in the road section before SS1/4 as it is a two-way traffic getting into the stage and leaving towards the main road.
- Alternative Road Book is available; in case of any emergency the COC will instruct the Official in charge and you will be informed which section will be used.
- The Safety team has put an effort to distribute Radio points and safety points all over the Special Stages, radio points and coordinates are marked in the road book.
- The itinerary of the 2026 Jordan Rally is made up of Road Sections with a scheduled time, all Road Sections are open to traffic. And all traffic laws must be respected during the entire schedule of the rally, including speed limits, it is worth to mention that speed cameras will be along the rally route operated by the police and any infringement of traffic law, will be reported to the stewards after issuing the ticket by the police officers.
- There will be 4 Refueling Areas in day one & 5 refueling areas in day two, marked in the road book. For safety reasons the crew and the team must comply with article 61.2 of the FIA 2026 RRSR.
- Access to Service Park will be open for Public.
- The speed of cars in the service park may not exceed 30 kph, all crews / team members must comply with article 57.4 of the FIA 2026 RRSR. Failure to comply with this limit shall result in a penalty applied by the Clerk of the Course.
- The presence of team personnel or any team conveyance (including helicopters) is prohibited within 1 KM of its competing car. Please see also RRSR 56.2 and it will be controlled by judges of fact in SS and road sections.

Incident on a Special Stage

- As per Article 53.3.2 of the FIA 2026 RRSR,
  "Any crew which has the red “SOS” sign displayed to them, or which sees a car which has suffered an accident, and the OK sign is not shown, shall immediately and without exception stop to render assistance. All following cars shall also stop. The second car at the scene shall proceed to inform the next radio point. Subsequent cars shall leave a clear route for emergency vehicles. All crews stopped by this procedure will be allocated a time according to Art. 52 of the FIA 2026 RRSR."
- To ensure safety, marshals will use red flags to signal competitors to stop or reduce speed. It's imperative that all competitors follow these instructions.

Ceremonial Finish

- Prize giving / Podium, will take place in the Hover-Up park.
- For the Prize giving / Podium It is mandatory for both Crew members to attend.
- When entering the Finish Holding, crew must follow marshal's instructions.
- Following the Prize Giving/Podium, all competitors must adhere to the marshals' instructions to bring their vehicles to the Parc Fermé and undergo Final Scrutineering. Heading from Finish podium to the parc Ferme will be as a convey and all competitors must follow marshal instructions.
- Cars can be driven by the service team within the convoy.
- After the parc Ferme is open, all competitors must return the safety tracking devices to the HQ.

Other Information

- Every team is responsible for cleaning their designated area, and we kindly request that all teams ensure the area is left in the same pristine condition as when they arrived.
- We kindly ask all competitors to drive cautiously on all gravel road sections to reduce dust.

George Khoury
Clerk of the Course
